Internationalisation Fund CDE

Only for Child Development and Education students
Only students in a study programme of Child Development and education can apply for this fund when they are going abroad as part of their studies.

Maximum amount:
€500 per student

Number of scholarships:
5 for Bachelor’s students, application deadline 1st February
5 for Master’s students, application deadline 1st February
5 for Master’s students, application deadline 1st April

Calculation:
The level of the grant depends on the length of stay:
• For a stay less than two months (e.g. conference visit): compensation up to 1/3rd of the estimated costs (maximum of € 250,-);
• For a stay longer than two months: compensation of €120,- per month plus a €150,- compensation for travel costs for a stay outside Europe (maximum of €500,-).

Requirements:
During your time abroad you are registered as a student at the UvA, in a programme of the College/Graduate School of Child Development and Education
• Your trip abroad has a clear academic purpose and is part of your study;
• Your stay abroad is approved for your programme (Int. Office, internship supervisor or master coordinator);
• You do not receive any grants from the European Union (such as the Erasmus grant) while being abroad;
• Upon return the student writes a reflection report on experiences abroad and how these experiences are of added value for the study programme and the personal development of the student.

Registration
Applications can be submitted online and should contain:
• An application letter with a motivation for the study component abroad;
• A budget;
• A confirmation letter from the supervisor of the course in which the exact dates are stated;
• A copy of your passport;
• A recent curriculum vitae;
• A recent list of study results;
• An overview of other funds that the student has applied for.

Selection committee:
The selection committee consists of the International Office Coordinator and the College and Graduate School directors.

Selection criteria:
A student must meet the above requirements. If there are more applications than scholarships, the selection committee will make a choice between the applications based on the motivation letter and study results. Unused Bachelor’s scholarships can be used for the Master’s scholarships and vice versa.
